CHILDREN SERVICES

Brandon is a 7th grader who enjoys going to school. His favorite subject is math. He is also starting to enjoy reading. A favorite book is anything about superheroes, especially Superman. Brandon is a very social child who enjoys sports and swimming. He loves to ride his bike and play his Nintendo DS. Brandon has been diagnosed with Reactive Attachment; Oppositional Defiant Disorder and Conduct Disorder. He takes medication to help with his behavioral health conditions. The foster parent describes him as a child who likes to please others. He can tend to be bossy and would do best in a family with older children.
