The director's determination is final.

(C) The licensee shall ensure that no person is placed in a direct services position under a contract with the licensee for the provision of specialized services to individuals residing in a residential facility, including habilitation staff working through a temporary agency, unless that person has successfully completed a background investigation that meets the requirements of this rule.

(D) The licensee shall conduct background investigations of all persons under final consideration for employment with the residential facility in a direct services position, except that the licensee is not required to request a criminal records check for an employee who is in a direct services position and is being considered for a different direct services position or is returning after a leave of absence or seasonal break in employment, as long as the licensee has no reason to believe that the employee has committed any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule.

(1) Require the person to complete an employment application, conduct a personal interview with the person, and attempt to obtain references from the person's present and former employers. The licensee shall request the report from BCII in accordance with section [109.572](#) of the Revised Code.

(3) Request that BCII obtain information regarding the person's criminal record from the FBI if the person who is the subject of the background investigation does not present proof that he/she has been a resident of Ohio for the five-year period immediately prior to the date of the background investigation. If the person presents proof that he/she has been a resident of Ohio for that five-year period, the licensee may request that BCII include information from the FBI in its report. For purposes of this paragraph, a person may provide proof of Ohio residency by presenting, with a notarized statement asserting that he/she has been a resident of Ohio for that five-year period, a valid driver's license, notification of registration as an elector, a copy of an

officially filed federal or state tax form identifying the person's permanent residence, or any other document the licensee considers acceptable.

(4) Contact the registrar of motor vehicles in order to determine and verify that the person has a valid motor vehicle operator's license and to request a certified abstract regarding the record of convictions for violations of motor vehicle laws, if the duties of the position for which the person has applied require the person to transport individuals or to operate the licensee's vehicles for any other purpose.

(6) Contact the Ohio department of health to inquire whether the nurse aide registry established under section 3721.32 of the Revised Code reveals that its director has made a determination of abuse, neglect, or misappropriation of property of a resident of a long-term care facility or residential care facility by the person.

(F) Except as otherwise provided in a collective bargaining agreement entered into under Chapter 4117. of the Revised Code that was in effect on November 22, 2000, no licensee may employ as an MR/DD employee a person who is included in the registry established pursuant to section 5123.52 of the Revised Code.

- (H) The offenses listed in paragraph (G)(1) of this rule or a violation of an existing or former municipal ordinance or law of this state, any other state, or the United States, if the offense is substantially equivalent to any of the offenses listed or described in paragraph
- (G)(1) of this rule bear a direct and substantial relationship to the duties and responsibilities of any position with a licensee that involves providing direct services.

- (7) The extent to which the position being filled provides an opportunity for the commission of the same or similar offenses; and
- (8) The time elapsed since the person was fully discharged from imprisonment, probation, and parole.

(J) Prior to employing a person in a direct services position, the licensee shall require the person to submit a statement with the person's signature attesting that he/she has not been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule. The licensee also shall require the person to sign an agreement under which the person agrees to notify the licensee within fourteen calendar days if, while employed by the licensee, the person is ever formally charged with, convicted of, or pleads guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule. The agreement shall inform the person that failure to report formal charges, a conviction, or a guilty plea may result in being dismissed from employment.

(K) A person applying for employment with a licensee shall disclose a conviction for any offense that has been sealed because the information bears a direct and substantial relationship to any direct services position with a licensee.

(L) The licensee may place a person in a direct services position pending receipt of information concerning the person's background investigation from BCII, the registrar of motor vehicles, or any other state or federal agency if the person submits to the licensee a statement with his/her signature attesting that he/she has not been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule. The licensee shall terminate the placement of such person if it is informed that the person has been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule.

(M) The licensee may place a person who has been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule in a direct services position only if each of the following standards in regard to rehabilitation are met:

(N) If a person meets all the standards listed for rehabilitation in paragraph (M) of this rule with the exception of paragraph (M)(7) of this rule due to the nonexistence of a statute that would allow the person to petition the court to have his/her conviction record sealed, the person may petition the licensee to be considered rehabilitated under the provisions of this rule. The licensee shall not consider for rehabilitation a person for whom a court has denied the person's request to have the record of his/her conviction sealed. (5) Whether any criminal proceedings are pending against the person;

(6) Any personal references;

(M) of this rule have been met. If the person fails to provide such proof or if the licensee determines that the proof offered by the person is inconclusive, the person shall not be placed in the position. Any doubt shall be resolved against the person being considered for the placement.

(P) A conviction of or a plea of guilty to an offense listed or described in paragraphs

(G)(1) to (G)(4) of this rule shall not prevent a person's placement in a direct services position under the following circumstances:

(Q) Upon request, the licensee shall provide the department with a copy of any report or abstract obtained under this rule.

(R) Upon request, a licensee under contract with a county board shall provide a county board with a copy of any report or abstract obtained under this rule, if the person who is the subject of the report or abstract consents in writing. If the person refuses to consent, the person shall not be placed in a direct services position unless the licensee submits to the county board the following:

(1) A statement attesting that the person has not been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (G)(1) to (G)(4) of this rule; or

(2) If the person has been convicted of or pleaded guilty to an offense listed or described in paragraphs (G)(1) to (G)(4) of this rule, a statement attesting that the standards in regard to rehabilitation in paragraph (M) of this rule have been met.

(S) A person being considered for placement in a direct services position shall cooperate fully with the licensee by providing any information and assistance the licensee needs to comply with this rule. If the person fails to cooperate, the licensee shall not place the person in the position.

(T) For purposes of this rule, reports from BCII or any other state or federal agency regarding a person's criminal record and abstracts supplied by the registrar of motor vehicles regarding a person's record of convictions for violations of motor vehicle laws are valid for a period of one year from the date of the report or abstract.

(U) The requirements of this rule shall apply only to persons who are hired for or who are placed in a direct services position on or after the effective date of this rule.

MCDJFS
Organizational Policy

Overview:

In selecting employees, volunteers and interns, Montgomery County Department of Job and Family Services (MCDJFS) assures that qualified candidates who file timely, complete and accurate applications will be given fair and equitable consideration. Such applications will not be arbitrarily ruled out because of the existence of a past history of mental illness, drug or alcohol abuse or criminal offenses, except as prescribed by Ohio law and the Ohio Administrative Code or as otherwise governed by this and other agency policies.

Such history shall be considered only in terms of its bearing upon the candidate's current fitness to perform the duties of the position being sought. In reaching that determination, the agency will conform to the requirements of the Ohio Revised Code, Section 124.34 and the Ohio Administrative Code, Section 5101: 2-5-09.

Procedures:

Montgomery County Dept. of Job and Family Services (MCDJFS) will conduct fingerprinting and/or criminal records checks with regards to EVERY prospective employee, volunteer, and intern. Employment is contingent upon satisfactory criminal records checks. This check will be carried out with due diligence as to the individual's current and previous places of residence within the past ten years. Individuals will be asked to sign the fingerprinting information card or otherwise provide consent for release of information.

The agency has both the right and the duty to investigate any information concerning criminal charges and/or convictions on the part of any prospective employee. A panel consisting of a representative from Human Resources, a representative from the program area, and a MCDJFS Director, will review any information regarding criminal convictions of applicants. Factors to be considered include, but are not limited to:

- The person's age at the time of the offense;
- The nature and seriousness of the offense;
- The circumstances under which the offense was committed;
- The degree to which the person participated in the offense;
- The time elapsed since the person was fully discharged from imprisonment or probation;
- The likelihood that the circumstances leading to the offense will recur;

- Whether the person is a repeat offender;
- The person’s employment record;
- The person’s efforts at rehabilitation and the results of those efforts;
- Whether any criminal proceedings are pending against the person;
- Any other factors the agency considers relevant.

The final decision regarding acceptance of any prospective employee, student intern or volunteer for any position will consider the nature of the work applied for, the responsibility for and direct contact with families and children, and the level of independence and supervision inherent in the position in relation to the past history and current status of the applicant. Any doubt shall be resolved in favor of protecting the children and families served by the agency.

Children Services Division:

To provide appropriate services for children and families and to assure the confidence of the community that supports and depends on those services, Children Services Division utilizes qualified persons in the various positions necessary to its mission. These positions include full-time and part-time paid employees, applicants for foster or adoptive parenthood, relative/non-relative caregivers, paid and unpaid interns, unpaid volunteers and contractors. It is in the best interest of children and families served by CSD that the agency conduct fingerprinting criminal record checks on persons seeking to be placed into service as employees, foster or adoptive parents, relative/non-relative caregivers, volunteers, interns or contractors. Any employee refusing to comply with the requirements of this policy, or the accompanying procedures, is subject to disciplinary action up to and including dismissal. Interns and volunteers who refuse to comply shall be immediately dismissed. Pursuant to OAC 5101: 2-5-09, any employee, intern or contractor convicted of any crimes listed therein shall be subject to disciplinary action, including immediate dismissal.

Special Hiring Considerations:

1. Any person hired after October 29, 1993 as administrator, child welfare caseworker, or in any other position responsible for a child’s care in out-of-home care shall not have been convicted of, or pleaded guilty to, any of the offenses listed in 1-A below except as provided in paragraph 2 below.
