

2016 Customer Survey Summary

Your feedback is important to us!

2016 Family Assistance (FA) Executive Summary on Customer Surveys

- **First of all, thanks to all that completed surveys, your input has been valuable!**
- Overall score was a 3.9 on a 5–point scale which is a Satisfactory Rating
 - Areas that did well, were in regards to the being treated with respect, the agency was responsive to the customer needs, questions were being answered, and satisfaction with being a safe confidential environment
 - Areas that customers thought needed improvement are with scanned material and call center operations
- FA had tremendous changes in 2016 and still provided good customer service
 - FA staff had to move several times during a construction process and had numerous staff shortages throughout the year
 - FA is continuing to make adjustments with improvements in the call center, staff training, and enhanced customer service reports to help close any gaps in service for the approximately 200,000 people it serves
