Taking Responsible Action at School & Home

An Exhibits-To-Go Program

The Beginning

- ◆ Idea to develop a program to take to the school and raise awareness
- ◆ Partnership with Boonshoft's ETG program
- ◆ Partially funded by the Keep America Beautiful / Waste Management Think Green Grant

Exhibits-To-Go

- ◆ A outreach program that “brings education and interactive assets into the classroom.”
- ◆ Full Time staff that offers more than 29 themed programs

T.R.A.S.H.

- ◆ Goal was to develop a program that:
 - Targeted Ohio Standards
 - Focused on Inquiry-Based and Hands-On Education
 - Helped students identify their impact on a personal, school, and community level
 - Demonstrated the importance of Waste Reduction, Litter Prevention, and Recycling while showing it is “Cool to Care”

T.R.A.S.H.

◆ Students Learn

- Steps other organizations and communities are taking to reduce, reuse, and recycle
- What they can do to reduce the amount of trash generated in Montgomery County
- Actions they can take to raise awareness
- How to get involved in local programs
