

# ANNUAL REPORT ON SEXUAL ASSAULT DATA FY – 2017

## MonDay Community Correctional institution

### I. Introduction

MonDay collects data on all reported incidents involving sexual misconduct and sexual harassment at MonDay and reports of occurrences at other correctional institutions. The Department of Justice Survey of Sexual Victimization (Form SSV-4) and internal documentation was used to track all reported violations.

### II. Data – FY 2017

<b>Allegations</b>	<b>Total</b>	<b>Substantiated</b>	<b>Unsubstantiated</b>	<b>Unfounded</b>
Resident on Resident Nonconsensual Sexual Act	0			
Resident on Resident Abusive Sexual Contact	1	1		
Resident on Resident Sexual Harassment	4	2	2	
Staff Sexual Misconduct	1			1
Staff Sexual Harassment	4		2	2

### III. Conclusion

In comparison to the FY 16 data, this is an increase of alleged incidents in every category except resident on resident nonconsensual sexual act and a decrease in resident on resident sexual harassment. This may be attributed to more awareness by staff and the efforts to educate the residents about PREA. MonDay maintains a continuous physical presence in the resident living areas and utilizes a video monitoring system. All staff are required to attend annual training on PREA and sexual misconduct.

MonDay has a zero tolerance policy regarding sexual abuse and harassment. All staff are charged with providing a safe and secure environment for residents.
