Staff member Debbie Miller performed back blows to remove an airway obstruction, a life saving technique, on John Varmuza, on March 23, 2009 while working at the Jergens Adult Services Center.

Her professional and timely action saved John's life. Her knowledge of performing this life saving technique is truly an asset to the individuals and families served by the Board of MR/DD.

She was commended by the Superintendent for the excellent professional service provided to John. Her proactive actions to save a life are truly admirable and exemplifies her true dedication and service to the individuals and families our agency serves during their lifetime.
