

Major Positive Incident

Dancing With The Staff

On April 29, 2009, Calumet held it's Second Annual "Dancing With The Staff." The audience was thoroughly entertained by the participants.

The music was as varied as the dance styles. From Sam Cooke to Ray Charles, to Seal and even Michael Jackson. We saw the Waltz, the Twist, the Cha-Cha and the Paso Doble.

The staff and individuals from Calumet and Kuntz AM shared their butterflies prior to the start of the show – but once the music began any anxiety quickly melted and everyone showed their dancing prowess.

Calumet staff and individuals would like to extend a very special "Thank-You" to Ann O'Hara, who shared her time and special dance talents with them and helped them to learn the necessary steps.

The 3rd Annual "Dancing With The Staff" is already being planned for 2010. It will hopefully be bigger and better than the first two !!
