## Ohio Music Educators Organization (OMEEO) Program Held at Calumet

For the fourth consecutive year, Calumet staff coordinated and hosted the OMEEO program with individuals with disabilities from five county Boards participating. Clinton, Clark, Ross, Dark and Montgomery county boards were represented. A total of 159 individuals participated in the program.

Individuals and groups presented musical performances and dancing for the benefit of those lucky enough to be in the audience and for a panel of four evaluators. The evaluators were Heidi Reynolds, MT-BC, Larisa McHugh, MA, MT-BC, Stephanie Labor and Karen Levi.

Calumet staff members Karen Levi and Jane Sanchez organized the event. Daryl Laurence acted as emcee and Brian Walker coordinated the musical accompaniments.

All participants received a certificate and pin for their efforts along with spirited audience appreciation.
