

Major Positive Incident

State Representative Seth Morgan Visits MRDD

Seth Morgan, State Representative, District #36, received facility tours from Mark Gerhardstein, Superintendent, and from several of our self-advocates on Friday, May 1, 2009.

Mark provided Representative Morgan an overview of our agency and the current local and state issues that exist for people with disabilities. Our self-advocates shared their personal stories with Representative Morgan and their appreciation of being able to meet with him and express their issues.

The tours of Jergens and Kuntz Adult Service Centers culminated in a luncheon with food provided by MONCO Enterprises, Inc.

Special thanks to our self-advocates Kelly, Brandon, Carol, and Rachel; Barb Greene, Supervisor and Parent; Cythia Whitlow, Jergens's PSA; Pam Whitt, Jergens' Self-Advocate Advisor; Sharonda Payne, Kuntz's Self-Advocate advisor; Joellen Heatherly, Jergens Facility Manager; and Joe Akakpo, Kuntz Facility Manager; for their assistance and information provided during the tour.
