McMRF POLICY

The purpose of the material reuse program is to redirect unwanted, reusable materials, which may be thrown away by businesses or individuals. Donated materials go to any 501 (c)(3) non-profit organization approved as a member of McMRF to be used to support the organization's facility. We must ask that each organization and their shoppers adhere to the following rules:

- All property received by a recipient organization or agency and their designated shoppers will be used solely by and for the tax-exempt purpose of the organization only. The intent of McMRF is for donated items to be used at the organization at the time of sign up. The McMRF reserves the right to revoke the privileges of authorized shoppers and their organization if found that materials from McMRF are being used for something other than what is agreed upon in the McMRF Agreement.
- Recipients and their shoppers will not **discard, sell** the property, lend or rent the property to any person. Items taken from McMRF cannot be used to raise money for your organization, **i.e. (no garage or rummage sales, or flea markets etc)**. If you find that you have taken more items than your organization can use, please make every effort to return the items to the McMRF warehouse. McMRF makes every effort to ensure equitable distribution of materials.
- McMRF Staff reserves the right to limit the items a recipient group and their shoppers receive from McMRF.
- Random verification of proper use of any items taken from McMRF may be sought or asked by staff for compliance with the organization's agreement every six months i.e. pictures or a visit to the organization.
- If you are a member with multiple non-profit organizations, you will only be permitted to sign up as a shopper and or contact person under only one organization.

Please include your "IRS Determination Letter"; it is a requirement for membership to McMRF (similar to this sample). A State of Ohio Tax Exemption Certificate does not necessarily give an organization a 501 (c) (3) non-profit status, therefore, tax exemption certificates are not acceptable

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive Federal income tax benefits, devised, transferred or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code as indicated by the heading of this letter.

Please see enclosed information for exempt organizations under section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

Sincerely,

Robert W. Scheidt
