Montgomery County Seniors Protecting our Greatest Generation

Frail, elderly adults deserve to stay in their homes. Montgomery County provides a variety of programs to help seniors with their daily life activities.

- Home delivered meals
- Adult day programs
- Home healthcare
- Personal and home care
- Emergency response and respite care
- Transportation
- Prescription assistance

There are over 25,000 frail, elderly citizens in Montgomery County. Many receive help with nutrition, hygiene, and maintaining safe and secure living conditions.

For more information, call Job and Family Services at (937) 496-6720 or visit www.mcoho.org.

Human Services helps abused children, frail seniors, men and women with severe mental disabilities, unemployed workers seeking jobs and many other people at risk in our community.
