Fetal Alcohol Spectrum Disorders (FASD): Recognition & Response

Presented by Kathy Paxton

Director, Behavioral Health & Education,
Center for Learning Excellence, The Ohio State University

Date: September 9, 2009

Time: 8:30 a.m. to 11:30 a.m.

Location:

Montgomery County ESC
200 S. Keowee St
Dayton, OH 45402

FASD Teacher Training

Kathy Paxton's presentation is part of a week-long observance to raise awareness of Fetal Alcohol Spectrum Disorders (FASD), which can have negative life-long effects on children and their families. Ms. Paxton will provide teachers with basic information on FASD – terminology, facts and effects on the developing brain. Teachers will learn primary and secondary disabilities that result from FASD, and how to develop classroom strategies for FASD-related problems.

Teachers will earn 3 Contact Hours at this session.

Space is limited, with registration first-come, first-served.

Registration deadline: September 4, 2009.

Send registration to: Fax: 937-496-7426. Email: teri.willhoite@mcesc.org

Questions? Call Teri Willhoite: 937-225-4603 x3018.
