**About Sr. Suzette and
Double ARC**

Sr. Suzette earned her M.Ed. and Specialist degree from Bowling Green State University. In 1992 she co-founded Double ARC, and was instrumental in developing Double ARC's multi-disciplinary FAS diagnostic team. Based in Toledo, Ohio, Double ARC serves children with an FASD through education, intervention and advocacy. For information on Double ARC's specialized services, visit www.doublearc.org.

Fetal Alcohol Spectrum Disorders (FASD): The Basics

Presented by Double ARC
Sister Suzette Fisher, SND, M.Ed., Ed.S.

Date: Friday, September 11, 2009

Time: 1:00 p.m. – 4:00 p.m.

Location:

The Children's Medical Center of Dayton
Kogut Auditorium, Taggart Pavilion lower level
One Children's Plaza
Dayton, OH 45404

Creating awareness. Developing strategies.

Sr. Suzette's presentation is part of a week-long observance to raise awareness of Fetal Alcohol Spectrum Disorders (FASD), which can have negative life-long effects on children and their families. Sr. Suzette will provide basic information on FASD – causes, effects on the developing brain, behavioral characteristics and general strategies for working with children who have an FASD.

Space is limited, so register today!
