Section 106 Consulting Party Status: If this project receives federal funding, the project will be evaluated to determine if it will affect historic properties, as required under Section 106 of the National Historic Preservation Act of 1966. If you are concerned regarding the project’s effect on historic properties and would like to participate as a Section 106 consulting party (if the project receives federal funding), please check the appropriate box below. Consulting parties work together to discuss options, provide multiple viewpoints, and strive to seek common agreement on the incorporation of historic preservation values into the project. (For additional information regarding the Section 106 process, contact Tricia Bishop with the Ohio Department of Transportation at 937-497-6721 or tricia.bishop@dot.ohio.gov.)

- I request consulting party status as a local resident interested in the history of my area
- I request consulting party status because: _____
