

Meet Argene

born in 2004

Argene is an active 17-year-old who is in the 10th grade. A natural athlete, he loves football, basketball and baseball. When not at school, Argene likes being outside and spending time with friends. Talkative and charming, he knows how to hold great conversations and enjoys one-on-one attention. Argene has expressed a strong desire to attend college and recognizes his need for support at school. He is unsure of He is unsure of his field of study, but wants to obtain a job that will allow him to support himself.

Argene needs a permanent, two-parent family that can provide guidance, structure, supervision and support to reach his goals. Connection and maintaining healthy relationships with supportive people is incredibly important. Argene is an intelligent young man who has incredible potential. He needs a family that can help him move forward in his life, help him reach his goals, and who will be a consistent presence in his life.
