

# Breanna

Year of Birth 2004

Breanna loves to be called “Bre” once she gets to know you. She doesn’t intend to make you work hard to get to know her, but she is shy and others who know her say Bre is mysterious. That is probably because you do have to give her time to share who she is.

Bre has her own style; she prefers to wear skirts or dresses and cowboy boots. She loves to spend time on a horse farm, where she can feel the peace of those big warm animals and enjoy the outdoors. The horses make her feel calm. Bre has also volunteered at a pound and says that if she could get a job, she would like to work with animals.

Bre is a 9<sup>th</sup> grader. She was anxious about starting high school, but so far she has only been able to attend virtually, which reduces her social interaction with peers. Hopefully that will change in the near future so she can get to know her classmates.

She does not have a favorite subject but loves art, especially anime drawings and using paints. In middle school, she played soccer and says she is good at sports but allergic to grass.

Family is very important to Bre, who has 3 sisters including a fraternal twin. Bre and her younger sister Brooklyn have always been close. She feels staying connected to them will be important to her throughout her life.
