Samaritan Behavioral Health Inc. \$790,260

- Will expand on August 1, 2016
- Will provide a 10 day ambulatory detox service for up to 20 people per week
- Will operate 365 days a year
- Services will include:
  - A medication protocol to transition from active opioid use to medication assisted treatment utilizing Vivitrol (MAT)
  - Symptom management/abstinence planning group
  - Care management
  - Referral to ongoing outpatient addiction treatment to Vivitrol provider of person's choice

Nova Behavioral Health \$634,596

- July 1, 2016 - Expanded sub acute detoxification capacity by 4 beds (Total per day bed capacity = 8)
- January 1, 2017 - 2<sup>nd</sup> Expansion to include an additional 4 sub acute detoxification beds (Total per day bed capacity = 12)

Miami Valley Hospital \$100,000

- Partnership with Miami Valley Hospital to support their prenatal opiate treatment program for pregnant women
- Develop recovery housing and supportive services to provide the existing program
- \$100,000 per year for 4 years

Addictions High Risk Wraparound Team est. \$500,000

- Partnership between ADAMHS & Public Health to create a multi-disciplinary community based team to provide substance use disorder treatment and supportive services to individuals in their homes & the community as an alternative to inpatient/residential treatment
- This team would “wraparound” individuals for up to 12 months who are opiate addicted AND are either:
  - Pregnant
  - Participating in a Drug Court
  - Identified as a “High Risk” due to multiple incarcerations related to substance use

## Addiction & Mental Health Treatment in the Jail est. \$250,000

- GOAL: Ensure continuity of care & ongoing treatment while a person is incarcerated who is already “open/connected” to a contract provider
- Beginning July 1, 2016, ADAMHS will reimburse contract providers for addiction and mental health outpatient treatment and case management services provided to “open/connected” clients who are incarcerated
- Future Expansion: Explore opportunities for telehealth psychiatric & MAT access for above described population while they are incarcerated

## Goodwill Easter Seals Miami Valley \$31,650

- Provide OHMHAS approved 40 hour Peer Recovery Supporter training required to become a certified Peer Recovery Supporter
- This will include access to computer lab to complete additional 16 hr online webinar and complete the online test
- In FY 17, will have capacity to increase # of certified Peer Recovery Supporters to 120

## Recovery Housing Expansion \$47,450

- Currently, 4 providers providing recovery housing up to 20 female beds & 5 male beds
- August 2016 Expansion will add 10 additional male beds
