

MONTGOMERY COUNTY SOLID WASTE MANAGEMENT DISTRICT

2018 Community Solid Waste & Recycling Survey

Instructions: Please complete Part I and Part II (items 1-4) to the best of your ability. Please complete and return the survey by **March 29, 2019**. If you have any questions regarding the completion of this survey, please call: Jaime Shepherd at **(937) 781-3062**

Part I - General Information

Municipality Name _____
Mailing Address _____
Contact Person _____ Phone _____
Email _____

Part II – Recycling

1. Type of Recycling Program:

Please check the type of recycling provided and complete the required information for the type of program you offer.

A. Non-Subscription Curbside Program:

Number of Households: _____ Frequency: _____ % participating: _____

(All single family residents have access to the recycling program whether or not they participate. Recycling can be paid for by residents or by the political jurisdiction)

B. Subscription Curbside Program: Number of Subscribers: _____ *(Residents request and pay for recycling with a subscription fee)*

C. Drop-Off Recycling (Please Complete Table 2) *(Recycling Collection containers available to the public)*

2. Solid Waste & Recycling Collected and Disposed in 2018 (if multiple haulers please disclose individually)

2018 Solid Waste Tons _____ Disposal Facility _____ Hauler _____
2018 Recycling Tons _____ Recycling Facility _____ Hauler _____

2018 Solid Waste Tons _____ Disposal Facility _____ Hauler _____
2018 Recycling Tons _____ Recycling Facility _____ Hauler _____

2018 Solid Waste Tons _____ Disposal Facility _____ Hauler _____
2018 Recycling Tons _____ Recycling Facility _____ Hauler _____

3. Yard Waste Management:

Does your Community Offer Yard Waste Collection? Yes No

Provide the total tons of each yard waste type collected in 2018:

Grass _____ (tons) Compost Facility: _____
Leaves _____ (tons) Compost Facility: _____
Wood _____ (tons) Compost Facility: _____

4. Materials Recycled

Table 1 – Please report the actual number of tons recycled by your community. The data in the recycled column is used to calculate the Districts progress in meeting state and local recycling goals. The values reported are for calendar year 2018. Enter the data in tons (2000 pounds = 1 ton). Conversion from non- compacted (loose) cubic yards to tons is (20 cy = 1 ton).

Table 1 –Recycling in 2018

Waste Stream Type	Tons Recycled	Waste Stream Type	Tons Recycled
Mixed (Commingled or Single Stream) Recycling		Non-Hazardous Chemicals	
Non-Ferrous Metals (aluminum, copper, brass)		Pallets	
Ferrous Metals (steel, iron)		Wood	
Plastics (#1-7)		White Goods\Appliances	
Mixed Paper		Batteries-Household	
Cardboard		Batteries-Vehicle	
Electronics		Used Oil	
Fabrics & Cloth		Tires	
Glass		Stone/Clay/Sand	
Food		Sludge	
Other (specify):		Other (specify):	
Other (specify):		Other (specify):	
Other (specify):		Other (specify):	

Table 2 –Drop-Off Recycling 2018

Table 2 - Please complete Table 2 for each drop-off center. Enter the data in tons (2000 Pounds = 1 ton). Conversion from non- compacted (loose) cubic yards to tons is (20 cy = 1 ton). This data should correspond with the values reported in Table 1.

Drop Off Address	Operating Days and Hours	Materials Accepted	Total Tons Collected in 2018

Return the survey in the enclosed stamped envelope to:
 Montgomery County Solid Waste Services • 2550 Sandridge Drive • Dayton, Ohio 45439
 Phone: (937) 781-3062 • Fax: (937) 496-3363
You may also submit via e-mail to: shepherdj@mcoho.org

THANK YOU FOR COMPLETING THIS SURVEY!
