

# Dazenaë

Born in 2005

Dazenaë goes by the nickname “Daisy,” and she is in the 9<sup>th</sup> grade. Daisy is outgoing and is easily engaged in delightful conversations. She enjoys music, dressing up, going shopping and getting her hair and nails done. Daisy has a huge heart and is always thinking of others. When shopping, she always wants to bring something back for a friend.

Daisy likes to try new restaurants and is not afraid to taste new foods. Cooking is a talent she would like to explore and develop. Cooking and the Culinary Arts could be her future career path, but she is not certain. She wants to leave her options open!

Daisy is honest and wants to do her best. She has shown an improved ability to relate to peers and build relationships. Daisy is working on building trust with supportive adults in her life as well. She needs an adoptive family who are strong advocates and understand trauma, grief and loss. Daisy needs a family who also understands the importance of sibling relationships.
