

Edith

Born in 2007

Edith is an adventurous and outgoing young lady who doesn't know a stranger. The staff at her school says she is a sweet child who likes to keep to herself. Edith is a great artist who loves to draw, and she wants to be an artist when she grows up.

Edith is huge animal lover and states "dogs and cats are my favorite." Watching cat videos always makes her laugh. She enjoys watching movies and Transformers is her favorite. Edith loves the Bumblebee character, which may be why her favorite colors are yellow and black.

Edith likes to help others and enjoys assisting the younger grades at school. She is proud of herself when she completes all of her work. Family is the very important to Edith. She has three siblings she cares very much about and wishes to maintain contact with them.

Picture Edith as part of your family as you help her grow into a beautiful young woman. Are you an animal lover or maybe a family who would enjoy having Edith's beautiful artwork to hang in your home?
