

# MEET AARON

BORN MAY OF 2011

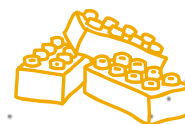

Aaron is a quiet and shy 11-year-old who takes a little time to warm up. A good way to get him to open up is to talk about bugs. He loves looking for and knows many facts about bugs and spiders.

Aaron says he likes school and learning new things. He's not a picky eater and loves chicken nuggets from Wendy's and McDonald's. In his free time, Aaron likes to play with Legos and Hot Wheels. He's creative and enjoys coloring and building things. He also enjoys spending time outside.

Are you a family that enjoys spending time outside exploring or spending a rainy day building Legos? If so, Aaron may be a good fit for your family. Aaron needs an adoptive family that will love, nurture and guide him into adulthood and a family that is excited to watch him grow into a bright young man.
