NOTICE TO TAXPAYERS

Montgomery County Tax Lien Certificate Sale

May 31, 2019

Pursuant to Ohio Revised Code §5721.33, on Friday, May 31, 2019, **Russ Joseph, Montgomery County Treasurer** will offer parcels in a Negotiated Tax Certificate Sale. All parcels with delinquent taxes are eligible for this sale. The tax lien certificates are not available for purchase individually. A tax lien certificate sale is not the sale of property. Scroll down for a listing of tax lien eligible parcels.

To avoid having a tax lien certificate sold:

- a) Pay the outstanding tax in full before 5:00 p.m. on Friday, May 31, 2019; or
- b) If eligible, establish a payment plan for the delinquent balance. 20% of the amount due is required to start a plan. Due to heavy traffic and high call volume close to the due date, property owners are encouraged to come in to the office as soon as possible.
- c) The last day to accept personal checks will be May 17, 2019.

When a tax lien certificate is sold:

- a) Property owners will receive a certified letter that includes who purchased the lien, amounts due (delinquent taxes + \$400 administrative fee + 17.5% interest), and the mailing address of the tax lien certificate holder.
- b) One year after the date of sale, if the property owner does not pay the amount due, the tax lien certificate holder can start foreclosure. Foreclosure CAN result in the loss of property.
- c) Properties with tax lien certificates sold still owe future taxes to the Montgomery County Treasurer and can be paid with cash, money order or cashier's check.
- d) If current taxes are not paid, the tax lien certificate holder has the option of purchasing a second or subsequent tax lien certificate on the property, which would add another administrative fee, plus 18% interest.

BANKRUPTCY AND MILITARY RESERVISTS: If you are currently in bankruptcy, on Active Military Duty, or have other special circumstances, please contact the Treasurer's Office at 937-225-4010, Option 2.
