Lab Manager Recognition

Jim Davis, our Environmental Laboratory Manager, received the 2017 Laboratory Analyst Award from the Ohio Water Environment Association, which recognizes a laboratory analyst who demonstrates excellence and professionalism in the field.
• Lab staff ran blind samples as part of a Water Study, and all 51 results were evaluated as acceptable. Fourth study in a row where the lab achieved 100% acceptable results.
• Stephanie Lohman & Tonya Wyant promoted to Analyst III’s.
• Cherie Ambrose and Karen Hellmund to be promoted to Lab Analyst II’s after recent OEPA inspection.
Thank you to our Lab Staff for making us one of the most affordable, dependable, and accurate labs in the region!
