Memorandum of Understanding (MOU)
MCO Future – Strategic Plan

• Prepare the next generation of Workers
• Continue to Support our Business needs
• Learn from our Residents
Purpose of MOU

• To empower the achievement of self-sufficiency through long-term employment and career development.

• To provide Job Coaching, Job Readiness, and Job Placement.

• To allow data sharing as people transition from Public Assistance to Full-time employment.
Life Services
Vision & Mission

CareSource Life Services provides a holistic foundation to address the social determinants that impact a member’s health & overall wellbeing.

The mission of Life Services is to make a SUSTAINED IMPACT in our member’s lives by effectively ADDRESSING THE OBSTACLES that impede progress in a member’s journey towards SELF SUFFICIENCY, IMPROVED HEALTH & WELLBEING.
Unique Opportunity

- CareSource Members are given access to holistic services.
- CareSource Members are being assisted in all areas of their life with a coordinated holistic approach.
- CareSource Life Services has tracked the number of organizations and programs that members utilize – on average members are engaged with 7-10 different organizations to help them survive month to month.
  - We are tracking the time it takes to see government & community resources replaced by income.

Life Services

- Coaching & Mentoring
- Job Connection & Retention
- Education & Training
- Health Care Including Mental & Behavioral Health
- Life Skills & Assessments
- Social & Community Needs
