

Maleaka

Born in 2005

As a young teen, Maleaka is all about her peer relationships. Like many other girls her age, her friends are of the utmost importance to her and preoccupy her thoughts and her interests. She is interested in cheerleading and modeling, which she has done in the past.

Maleaka is full of energy and does not like to feel bored. She is the kind of person who finds the connections between people

that they did not know exist. She is a determined person who can achieve the goals she sets up for herself. Maleaka is an imaginative, creative person who enjoys music, dancing, fashion and pop culture.
