“VOICES FOR VETS” ADVISORY GROUP IS OFF TO A GREAT START

In January 2020, Recorder Brandon McClain launched the Voices for Vets Advisory Group which meets on the last Monday of the month at the Dayton Metro Library. The group consists of 17 veterans and 2 civilians who have volunteered their time and expertise to address local veteran issues and concerns.

“The Voices for Vets Advisory Group champions the needs of veterans and give them a place to be heard,” said Recorder Brandon McClain. “This group works to improve the quality of services provided to veterans throughout Montgomery County, and focuses on the unique issues and concerns of veterans when it comes to how we deliver services and programs.”

The Voices for Vets Advisory Group can assist a veteran in obtaining a second set of medals or requesting discharge upgrades. The group also serves as a liaison for veterans by connecting them to existing resources to address their concerns.

If you are a veteran or know a veteran who needs the assistance of the Voices for Veterans Advisory Group, please email Voices4Vets@mcoho.org
