What is the McMRF?
McMRF (Montgomery County Material Reuse Facility) collects and warehouses unwanted, yet usable, materials from individuals and businesses. These items are then redistributed to local non-profit organizations. There is no cost associated with donating or receiving items, so everyone participating in the program benefits.

How to Donate
Donations of any unwanted, excess or over-run materials that would normally be thrown away are accepted at McMRF. If your business or personal items would benefit local nonprofit organizations, call McMRF at (937)781-3075. Usable items will be gladly accepted and you will be given a donation receipt.
