July Medicaid Renewal Packets Mailing this Week

DAYTON – Medicaid renewals were suspended for the past couple of months, but they will be back for those customers with renewals due in July. Customers will be notified beginning Wednesday, June 3, if information is needed.

Please respond to the automatically-generated renewal packets from the Ohio Department of Job and Family Services. Failure to provide current information on income, expenses and household changes, such as additional household members, through these renewal packets could result in the suspension of benefits.

Customers with additional questions about renewals should call our County Shared Services line at 1-844-640-6446.
