Location and Number of Public Safety Answering Points

The Ohio Revised Code (ORC) defines a Public Safety Answering Point in 128.01 Definitions as, "...a facility to which 9-1-1 system calls for a specific territory are initially routed for response and where personnel respond to specific requests for emergency service by directly dispatching the appropriate emergency service provider, relaying a message to the appropriate provider, or transferring the call to the appropriate provider."

Based off the ORC definition the following PSAPs are authorized to receive operate in Montgomery County:

Centerville Police Department
155 West Spring Valley Pike, Centerville, Ohio 45458

The Centerville PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdictions of Centerville and West Carrollton. In addition the Centerville PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police units for Centerville, dispatch the appropriate police and/or fire unit(s) for West Carrollton, or transfer the call to the emergency service provider indicated. Calls for Fire and EMS service within Centerville will be forwarded directly to the Montgomery County Regional PSAP for resolution. The city of Centerville, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Englewood Police Department
333 West National Road, Englewood, Ohio 45322

The Englewood PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdictions of Brookville, Englewood, Farmersville, Jackson Township, New Lebanon and Union. In addition the Englewood PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s) or transfer the call to the emergency service provider indicated. Calls for Fire and EMS service within the portions of Clay Township covered by the Brookville Fire Department and Perry Township will be received in order to dispatch the appropriate fire unit(s). The city of Englewood, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Huber Heights Police Department
6121 Taylorsville Road, Huber Heights, Ohio 45424

The Huber Heights PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdictions of Butler Township, Huber Heights and Riverside. In addition the Huber Heights PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s) or transfer the call to the emergency service provider indicated. The city of Huber Heights, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Kettering Police Department
3600 Shroyer Road, Kettering, Ohio 45429

The Kettering PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdiction of Kettering. In addition the Kettering PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s) or transfer the call to the emergency service provider indicated. The city of Kettering, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Montgomery County Sheriff's Regional Dispatch
460 Vantage Point, Miamisburg, Ohio 45342

The Montgomery County Regional PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdictions of Clay Township, Clayton, Dayton, German Township, Germantown, Harrison Township, Jefferson Township, Miami Township, Miamisburg, Perry Township, Phillipsburg, Trotwood, Washington Township and the portion of Verona in Montgomery County. In addition the Montgomery County Regional PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police units for Perry Township and Verona, dispatch the appropriate police and/or fire unit(s) for Clay Township, Clayton, Dayton, German Township, Germantown, Harrison Township, Jefferson Township, Miami Township, Miamisburg, Perry Township, Phillipsburg, Trotwood, and Washington Township, or transfer the call to the emergency service provider indicated. Calls for Fire and EMS service within the portions of Clay Township covered by the Brookville Fire Department and Perry Township will be forwarded directly to the Englewood PSAP for resolution. Calls for Fire and EMS service within Verona will be forwarded directly to the Preble County PSAP for resolution. Calls for Fire and EMS service within Centerville will be received in order to dispatch the appropriate fire unit(s). The Montgomery County Commission, in conjunction with the Montgomery County Sheriff's Office, will establish, equip, furnish, operate and maintain a regional Public Safety Answering Point.

Moraine Police Department
4200 Dryden Road, Moraine, Ohio 45439

The Moraine PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdiction of Moraine. In addition the Moraine PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s) or transfer the call to the emergency service provider indicated. The city of Moraine, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Oakwood Police, Fire & Rescue
30 Park Avenue, Oakwood, Ohio 45419

The Oakwood PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdiction of Oakwood. In addition the Oakwood PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s)

or transfer the call to the emergency service provider indicated. The city of Oakwood, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Vandalia Police Department
245 James E Bohanan Drive, Vandalia, Ohio 45377

The Vandalia PSAP will receive all 9-1-1 calls from those telephones assigned Emergency Service Numbers within the jurisdiction of Vandalia. In addition the Vandalia PSAP will receive 9-1-1 calls originating from cellular telephones routed according to the cellular service provider tower location by approved routing assignments. This PSAP will either dispatch the appropriate police and/or fire unit(s) or transfer the call to the emergency service provider indicated. The city of Vandalia, in conjunction with their respective Police and Fire Departments or Divisions, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

Ohio State Highway Patrol Post 57
400 Smith Drive, Clayton, Ohio 45315

The Ohio State Highway Patrol Post 57 will operate as a secondary PSAP. The OSHP PSAP will receive 9-1-1 calls transferred from the other Montgomery County PSAPs. This PSAP will either dispatch the appropriate police unit(s) or transfer the call to the emergency service provider indicated. The Ohio State Highway Patrol, in conjunction with the state of Ohio, will establish, equip, furnish, operate and maintain their own Public Safety Answering Point.

The territory of Montgomery County within the jurisdictions of Carlisle and Springboro falls under the authority of Warren County in regards to 9-1-1.

The territory of Montgomery County within the jurisdiction of the Wright Patterson Air Force Base under the authority of Greene County in regards to 9-1-1.

In order to maintain successful 9-1-1 operations in Montgomery County the 9-1-1 Plan will maintain accurate record of the operating PSAPs and the territories/jurisdictions which they serve. The 9-1-1 Planning Committee will use ORC 128.12 Amendment of Plan as the guideline for necessary revisions.

Since the initial deployment of E9-1-1 wireless services, changes to existing sites or construction of new sites within Montgomery County require verification of routing assignments. In order to provide the most efficient and effective service to the territories/jurisdictions in Montgomery County, all routing assignments will be approved by the appropriate PSAP director and the county 9-1-1 coordinator. The county 9-1-1 coordinator will maintain records of the routing assignments to resolve issues/disputes regarding call routing.

Ohio Administrative Code 5507 sets forth a set of minimum standards for a Public Safety Answering Point operating in the state of Ohio. In order to be authorized to receive 9-1-1 calls a PSAP will demonstrate compliance to OAC 5507 by passing the yearly Support and Compliance Review performed by the Ohio 9-1-1 Program Office.
