Grant Program Encourages Businesses to Recycle More

Grant Funds of \$200,000 Available to Local Businesses

Dayton, Ohio Jan. 23, 2017) – The Montgomery County Solid Waste District once again will offer \$150,000 in grant funding to promote recycling at local businesses. The district is now accepting applications for the 2017 Business Recycling Incentive Grant Program. The deadline to apply is March 31, 2017.

“We’re glad to be able to offer these grants to local businesses which will use them to promote innovation and protect our natural resources,” said Dan Foley, president of the Montgomery County Board of County Commissioners.

The Business Recycling Incentive Grant funds are available on a competitive basis to all Montgomery County businesses. A total of \$150,000 in funding will be available for the program, including \$120,000 to fund capital equipment purchases and \$30,000 for new recycling service contracts.

Funding can be used for any of the following projects:

- capital equipment purchases to initiate or expand recycling;
- new or expanded contracts for on-site recycling service;
- composting service;
- equipment, materials, and software purchases to increase or expand operations for recycling processors.
