This future first responder in training is looking forward to his high school graduation. He enjoys school and has worked hard at improving his grades. After high school, he would like to be a paramedic or fire fighter and help the community.

He is involved in the Young Explorers Program through a local fire department. Nathen can be very friendly and easy to engage in conversation. He loves being outside and participating in any outdoor activities. Nathen enjoys playing basketball, fishing, bike riding, and playing video games.

Nathen has participated in a youth bowling league and had a great time. He would love to bowl with his new family! He also enjoys going to church and being a part of the church community. Nathen is excited to try new foods. He does a great job cooking dinner. He is a very proud, talented cook who enjoys sharing what he makes!

Nathen deserves a permanent, loving and supportive family who will lead him to success through his teenage years and into adulthood.
