## The Recorder's Route

### Happy New Year from the Montgomery County Recorder's office!

### Outreach

Last month Recorder McClain was a part of the NAACP's veterans forum and provided important information on the Veteran Identification Card Program. We are still continuing efforts to reach the veteran population through our "Coffee for Veterans" series that will continue this year. If you or your organization is interested in having a presentation and dialogue, feel free to contact our Community Affairs Specialist, Tristina Allen (937) 496-3017.

Recorder McClain also presented on the Fraud Alert Notification System and Veteran Program at the Kettering Rotary Club as they provided welcoming spirits and a great hospitality.

Excitingly, Recorder McClain has been actively involved with the County Corps. This organization specializes in providing programs that provide high-quality, affordable housing to the general public along with financial resources. Last month, Recorder McClain presented at the County Corps monthly staff meeting about the FAN System and Veterans Program.
