## The Recorder's Route

**Our office will be closed on Thursday July 4, 2019 in celebration of Independence Day!**

### Veteran Initiatives

Last month, Recorder Brandon McClain established a new relationship with the Military and Veteran Chamber of Huber Heights as he presented his Veteran ID Card program. The Military and Veterans Commission was established to act in an advisory capacity to City Council and the City Manager to create and maintain an atmosphere contributing to the understanding and respect for past and current members of the military to enrich the lives of Huber Heights residents and visitors through honoring the military veterans and recognizing the value of the service they have and do provide.

### Advocacy for Seniors

Once again, the Recorder's Office and other Montgomery County affiliated departments participated as a resource for the annual CAANE Senior Empowerment Expo. CAANE is the collaboration against abuse, neglect, and exploitation of seniors in the Miami Valley area. Recorder McClain has been diligently working to bring awareness and support to our vulnerable populations with his programs and board standings in the community.

### Disaster Relief Community Involvement

Many constituents of Montgomery County came together last month to hold a documentation and legal resource clinic at Sinclair Community College. The services the Recorder's office provided and still is providing are free property deeds to individuals who lost their homes or were affected by the tornado. The affected areas in Montgomery County include Trotwood, Clayton, Riverside, Harrison Township, Butler Township, Brookville, North Dayton and Vandalia.

### Children: The Future

In collaboration with the Salvation Army, Recorder McClain was a guest reader for a program "Read and Feed" at Patterson Park here in Dayton. This event is for pre-school children who are provided with a meal upon arrival and story time. Each child received a brand new, free book after the story time. Last month, Recorder McClain had the honor of Reading a book about Sonia Maria Sotomayor, who served as the Justice of the Supreme Court of the United States. The children really enjoyed it!
