The Recorder's Route

Serving our Veterans

It is no surprise that Montgomery County Recorder Brandon McClain has been making strides to serve our veterans through his Veteran Identification Card Program. However, next month the Recorder's Office will be implementing offsite recordings of veteran DD-214's (discharge documents) and distributing veteran ID cards offsite. As of today, almost over 1500 veterans have received their veteran ID card from our office and there is more to come! Please visit our website at: www.mcrecorder.com to read the press release about this service.

Protecting YOU from Property Fraud

Business as usual, Recorder McClain spent time last month talking to residents about the services our office provides. One of the highlights was being a guest speaker Five River Oaks Council (FROC) meeting. He was able to walk through information and answer questions about the FAN System along with other devious practices to look out for concerning housing and real estate. The FAN System now has over 6000 Montgomery County homeowners who are registered.

Recorder McClain sitting amongst FROC members at their meeting.

Community Involvement

Diversity Day: After months of planning and many meetings, Recorder McClain executed the annual Diversity Day at Sinclair Community College. This event included many different topics, guest speakers, and sharing of experiences. Attendees were very engaged.

Workers Memorial Day: Brandon attended the Workers Memorial Day event to show support and remember those who have suffered and died on the job and to renew the fight for safe jobs. What a great cause!

Community Conversation: Recorder McClain also attended a Community Conversation event that the Wesley Center hosted in at their location. He was able to exchange information and perspectives about how to better our community on different levels.

Whats Happening in the Office?

The Dayton Miami Valley AFL-CIO and affiliates, with the Food Bank, are holding their annual "Ton In Ten" peanut butter drive from May 1-10 for the benefit of the youth in our community. The Recorder's office will be gathering peanut butter to give to The Food Bank to contribute efforts to feed hungry children in our county.
