Issue 93, November 2016

Happy Retirement, Don!

Our Assistant Law Librarian for Reader Services, Don Walker, is ready to enjoy a well-deserved retirement life. His last day at the Law Library will be Wednesday, November 30. Don came to us in 1996 from a position at MetLife. We have truly enjoyed the twenty years he has given to us and will miss him terribly. He tells us that he plans to remain in Dayton, but enjoy some extensive travel. All the best, Don. Visit us often.

LexisNexis Training for CLE Credit Rescheduled

Due to a forestalled conversion to Montgomery County's Internet domain, the LexisNexis training session scheduled for November 15th was cancelled. There have been two sessions now scheduled for Thursday, December 15th at 1:00 P.M. and 2:30 P.M. Each session has been approved for 1 hour of CLE credit by the Supreme Court of Ohio. To register for either session, please call Susan Worley or Linda Borgert at the Law Library at 225-4496.

Coffee Service at the Law Library

We have set up for patrons a Keurig Coffee Maker in the Law Library on a table behind the Media Center. An assortment of coffee, tea, and hot chocolate K-cups has been purchased along with the usual creamers, sugar, and paper cups with lids. If you are in the courthouse this winter, stop in the Law Library for a hot beverage on us.

Forget your Charger?

The Law Library has purchased a few phone and tablet chargers for use by patrons who find they have left home without one. If needed, ask at the Circulation Desk for help.

New WiFi on its Way

An upgrade in the Law Library's WiFi router will be completed before the end of January. This improved service will be a great benefit to patrons using personal devices in any location in the Library. A WiFi printer will also be available.
