Collective Impact Collaborative

Heroin/Opioid Epidemic
Montgomery County, Ohio

September 28, 2016
Montgomery County Community Health Improvement Plan

Montgomery County: A healthy, safe, and thriving community!

We believe that all residents of Montgomery County should have:

- equal access to resources that promote a healthy lifestyle
- an environment that promotes health and wellness
- social support and community connections
- knowledge about healthy choices and behaviors
Health Priorities

• Birth Outcomes

• Chronic Disease Prevention

• Behavioral Health
Montgomery County

Behavioral Health Advisory Group

Ensure access to needed services

Enhance care coordination

Integrate physical and behavioral health

Decrease overdose deaths
Opioid Epidemic
Decrease Overdose Deaths

- Conditions for Collective Impact

1. • Common Agenda
2. • Shared Data
3. • Reinforcing Actions
4. • Communication
5. • Backbone Support
Incident Management System
Overview

- Used to manage local, state and federal responses to complex multi-agency, multi-jurisdictional incidents / issues
  - uses a common language and response culture
  - optimizes combined efforts
  - eliminates duplicative efforts
  - allows for collective approval of operations, logistics, planning, and finance activities
  - encourages a cooperative response environment
  - requires constant communication
  - uses a consolidated Action Plan
  - is scalable to meet the needs of the incident / issue
Incident Management System Framework
Montgomery County IMS
Decrease Overdose Deaths

Guiding Principles

- Establish a common agenda
- Share measurement data
- Adopt mutually reinforcing activities
- Assure continuous communication
- Serve the whole community through a systems-based approach
- Promote shared values
- Trust each other
- Use results-based planning
- Share responsibility
- Value diverse perspectives
- Promote inclusion
- Assure respectful communication
- Be transparent
- Commit to excellence
- Commit to empowering our community
Montgomery County IMS
Decrease Overdose Deaths

**Steering Committee**
- diverse spectrum of stakeholders
  - overall vision and strategic directions
  - leadership

**Backbone Support**
- guide vision and strategies
- support aligned activities
- establish shared measurement practices
- build public will
- advance policy
- mobilize resources

**Joint Information Center**
- common messaging
- media releases
- website / social media
- public awareness
Montgomery County IMS
Decrease Overdose Deaths

**Planning Section**
- Action Plan development
- situation status / data reports
- Poisoning Death Review
- Sequential Intercept Mapping
- evaluation

**Operations Section**
- Action Plan implementation

- Reduce supply of illegal opioids
- Educate and inform
- Expand Naloxone and syringe exchange
- Prevent drug use before it starts
- Promote best practice prescribing guidelines for pain
- Expand pathways to treatment and recovery
Montgomery County IMS
Next Steps and Timeline

• IMS framework to be operational by January 2017

• Identify personnel for:
  • Steering Committee
  • Joint Information Center
  • Planning Section
  • Operations Section

• Develop written Action Plan

• Communicate progress to all participants
