Stand Down For Veterans

Recorder McClain was proud to have the Recorder’s Office join other local vendors at the 7th Annual Stand Down for Women Veterans event held on August 16th at the Dayton VA Medical Center. The Recorder’s Office issued six Veteran Identification Cards and passed out information to those veterans interested in obtaining a card at a future event.

On September 20th, at the 14th Annual Stand Down for All U.S. Veterans, the Recorder’s Office will once again be present to record DD-214s and register veterans for their Veteran Identification Cards. To obtain an ID card, veterans are asked to bring their DD-214s, showing honorable discharge along with two forms of identification to the Multipurpose Room in Building 305 of the Dayton VA Medical Center from 10:00 am - 2:00 pm. For more information, contact Carmela Daniels at (937) 268 - 6511, ext. 1548.

The Recorder’s Office continues to collect sample size toiletries that will be given to veterans attending the next Stand Down event. The collection barrel will remain in the lobby of the Recorder’s Office throughout the month of September.

Dayton Strong - Passing Along a Hug

Moments prior to the Gem City Shine Concert, (pictured to the right) which honored the memory of those killed during the Dayton mass shooting, the father of victim Logan Turner, Michael Turner (pictured to the left) spoke to Recorder McClain of love and hope in honor of his late son’s memory.

Under the advice of Mr. Turner, Brandon McClain encourages everyone to pass along a HUG to a stranger in memory of all nine victims: Megan Betts, Monica Brickhouse, Nicholas Cumer, Derrick Fudge, Thomas McNichols, Lois Oglesby, Saeed Saleh, Logan Turner and Beatrice Warren-Curtis. We are Dayton Strong.
