Shiloh wants to go on to college to study music with a minor in computer gaming. Her favorite class in high school is German. She loves everything about this class and language. She currently belongs to the German, Anime, Gaming and FCCLA clubs. She is also involved with choir, which she really enjoys.

She is a very creative young lady. Shiloh loves drawing and hopes to someday write a book. She has several story ideas, including a story about a new superhero family. She is writing all the time. Shiloh has 2 younger siblings, and she wishes to maintain ongoing contact with them.
