Montgomery County Environmental Services Hosts “Test Your Water” Event

Dayton, Ohio (October 21, 2016) – Montgomery County Environmental Services is partnering with the Miami Conservancy District, Ohio Water Well Association, Public Health – Dayton & Montgomery County and the University of Dayton to host a “Test Your Water” Event.

Courtesy of the Miami Conservancy District, every participant will receive a free nitrate and iron screen. The first 50 participants will receive a free confidential Lead, Arsenic and Copper test.

The “Test Your Water” Event will also feature:

- A well driller and water treatment representative from Ohio Water Well Association
- Representatives from Public Health - Dayton & Montgomery County to answer questions on private water systems
- Discounted bacteria test kits for \$20; first metal tests \$12; each additional metal \$4 each
- Courtesy of the Rivers Institute at UD, an interactive Rivermobile will be on display

Residents are asked to fill a 16.9 oz water bottle for screenings. For lead test, take sample after six hours of non-use or first draw in the morning.

Event will be held at the Environmental Lab at 4257 Dryden Road, Moraine 45439 on Thursday, November 3, 2016 from 4 p.m. - 6 p.m.

For more information or questions, please call (937) 781-3024.

About Montgomery County Environmental Services

Montgomery County Department of Environmental Services provides trash disposal, recycling, drinking water distribution, and wastewater treatment to the citizens of Montgomery County. The department also offers educational outreach to local schools, communities, and businesses that want to learn more about conservation and sustainability in the Miami Valley region.
