Wyatt is in the 5th grade and attends middle school. Wyatt has been described as quiet, shy and respectful of the adults in his life. At times, he has trouble communicating his feelings to others and requires patience and understanding. Wyatt likes soccer, basketball, kickball and playing video games. He really likes “Sponge Bob” and can answer any trivia question about this cartoon.

Wyatt takes good care of his possessions and likes going shopping for new gym shoes. His favorite foods are pizza, cheeseburgers, macaroni and cheese, and almost any type of dessert. Going on outings and participating in community events make Wyatt very happy. He loves to try new things, and he always looks forward to vacationing.

Wyatt needs a forever family who can demonstrate patience, love and acceptance. He deserves a family who is willing and able to ensure he feels safe and important. He needs a family who understands the importance of maintaining his relationship with his siblings as well.
