

THE EMPLOYEE ASSISTANCE PROGRAM: MAKING LIFE A LITTLE EASIER

When life's challenges come your way, your Employee Assistance Program (EAP) can help. The EAP provides confidential information, guidance and support to help you reach your personal and professional goals, manage your busy schedule and bounce back from hardships. You and your immediate family members can call any time, 24 hours a day, seven days a week.

EAP counselors are licensed, highly trained professionals who are committed to making your life easier. The service is confidential and available at no charge to you.
