Get started

3 simple steps to help protect what matters most to you

Step 1: Decide what you want to help protect

- **Your family.** Life and Accidental Death & Dismemberment (AD&D) Insurance coverages can help your loved ones pay for current and future expenses when you're no longer there, including housing, tuition, utilities, and other expenses.
- **Your paycheck.** The Prudential Income Protection PlanSM, a Short Term Disability Insurance coverage issued by **The Prudential Insurance Company of America (Prudential)**, can help if you become too sick or injured to work. Research shows that over 66% of people live from paycheck to paycheck,¹ and about half of all households have less than \$10,000 in savings!²

All coverages are issued by **The Prudential Insurance Company of America (Prudential)**.

If you are currently enrolled for coverage, your current coverage will be continued.
