FOR IMMEDIATE RELEASE

Statement re: Roger Gillispie

DAYTON, OH (11/30/15) – The three victims in this case have never wavered in their identification of Gillispie as the man who kidnapped them in broad daylight, held them captive, and raped them at gunpoint. Two juries have found him guilty. The Montgomery County Prosecutor’s Office disagrees with the decision issued today by the trial judge dismissing the indictment. The judge reached this decision by finding himself bound by a 2011 decision issued by a federal magistrate.

Today’s decision fails to address the legal issues at the heart of the matter, and is at odds with several issues already decided by the state court of appeals.

We will appeal today’s decision.
