FOR IMMEDIATE RELEASE

Dayton Father Indicted for Injuring 3-Month-Old Daughter

State v. Logan Green, 2021-CR-1171

DAYTON, OH (04/16/2021) – Prosecuting Attorney Mat Heck, Jr. announced today that **LOGAN TYLER GREEN**, 28, of Dayton, has been indicted for causing injuries to his 3-month-old baby girl.

On Saturday, March 27, 2021, the mother of the 3-month-old victim took the infant to Dayton Children’s Hospital for fever and vomiting. As part of her medical treatment, the baby was given a chest x-ray.

The next day, Sunday, March 28, 2021, a doctor reviewing the x-ray noticed that the infant had five healing rib fractures. A social worker with the hospital notified the Dayton Police Department.

During the investigation, it was learned that about a week earlier the defendant had become frustrated with the baby girl’s crying while he was playing a video game. The defendant picked the infant up and squeezed her before giving the girl to her mother. The injuries, fractured ribs, are consistent with being squeezed.

Today, the Montgomery County Grand Jury indicted the defendant for one count of Endangering Children (parent, serious harm), a felony of the third degree.

Prosecutor Heck continued, “This defenseless baby was seriously injured at the hands of her 28-year-old father because he was more interested in playing video games than caring for his daughter. Parenting can certainly be frustrating at times, but this defendant’s heinous actions are beyond belief or comprehension.”

The defendant was arrested and bond was set by the Dayton Municipal Court. The defendant posted bond of \$25,000 and was released. The defendant is now ordered to appear for his arraignment on Thursday, April 29, 2021, at 8:30 a.m.
