## **Mr. Robert F. Nemeth Promoted to Director of Diversion Division**

**DAYTON, OH (11/21/2022)** – Montgomery County Prosecuting Attorney Mat Heck, Jr. announced that Mr. Robert F. Nemeth has been promoted to Director of the Diversion Division.

Mr. Nemeth received his bachelor's degree in Organizational Leadership from Wright State University in 2014. In 2012, he received his associate degree in Criminal Justice from Sinclair Community College. Mr. Nemeth joined the prosecutor's office in August 2015 and was assigned to the Criminal Case Management Section. In February 2017, he was promoted to the position of Diversion Officer.

The Diversion Division is responsible for reviewing and investigating the cases of first-time, non-violent felony offenders charged with a Diversion eligible offense in Montgomery County. Currently, there are 35 felony offenses eligible for program consideration. If the offender is deemed appropriate for participation in the program, he or she is offered an opportunity to accept responsibility for their crime by admitting guilt, paying full restitution to the victim, performing community service, and remaining both crime and drug-free for a predetermined supervision period. The supervision period can be up to three years. Once the defendant has fulfilled all requirements and the victim has been fully compensated, the charge is dismissed. However, if the offender does not fulfill all requirements as agreed, his or her Diversion case is unsuccessfully terminated, and the case is returned to court for full prosecution.
