CHILDREN SERVICES

In our **Children Services Division**, we have moved away from face-to-face visitation in favor of technological alternatives. We appreciate the importance of visitation, and staff are working to coordinate primary parent and foster parent communication to ensure they work together to have virtual visitation through tools like FaceTime, Skype or phone calls. When it is safe to resume in-person visitation, we will make people aware through news and social media.

Our Children Services **intake line** remains open 24/7 at **937-224-KIDS (5437)**. That's the number to call if you suspect that abuse or neglect is happening to a child. Caseworkers continue to be available to provide child protection services on behalf of some of Montgomery County's most vulnerable citizens.

CHILD SUPPORT

Online: People can conduct business through the **Child Support** portal available at www.jfs.ohio.gov. This portal allows case participants to quickly and conveniently view personal, address, employment/health insurance information, and support order/payment information. Child Support Payments may also be made on-line at <https://oh.smartchildsupport.com/>.

Access chat by clicking on the InContact icon on the [Child Support website](#) between 8 a.m. and 4:30 p.m. Mcsea.org also contains electronic versions of our forms, a link to our Agency email box (mcsea@jfs.ohio.gov), and other helpful information including videos, FAQs, and community resources. Some (but not all) verifications can be submitted through email by taking a picture of the document.

Email: Get questions answered and conduct most business through email via mcsea@jfs.ohio.gov

Phone: Customers can also call **937-225-4600** between 10 a.m. and 4 p.m. weekdays. Customers may also check payments 24 hours a day by calling the **Interactive Voice Response** system (IVR) at **1-800-860-2555**.

Drop Box: New drop boxes for Child Support documents and payments are available in the Child Support entrance vestibule. Please place payments in an envelope and include case numbers and/or Social Security Number, or funds may not post correctly. Payments will be proportionally distributed among all applicable cases unless otherwise directed, and receipts will be mailed to the address on file.

Montgomery County Department of Job and Family Services is continuing to refine more ways to conduct business in this pandemic, with an eye toward keeping the public and our workers safe.
