Joseph P. Tuss

DEPARTMENT DIRECTOR

Gayle Bullard

Payment Options

If a company employs less than 50 employees, support payments are mailed to Ohio Child Support Payment Central (OCSPC), P.O. Box 182394, Columbus, Ohio 43218-2394. Beginning October 2009, state law required employers with more than 50 employees to submit support payments electronically.

BENEFITS OF ELECTRONIC PAYMENTS

- Before you submit electronic payments, Ohio Child Support Payment Central (CSPC) verifies employer and employee data to ensure that payments are properly identified. Thereafter, employee information is confirmed during each payroll cycle and not re-entered, which eliminates costly errors.
- Economy – Electronic payments save staff time. There are no checks to print, no labels, no envelopes and no postage.
- Convenience – Electronic payments require only one transaction per pay period. Just review your last submission and update the information as necessary.
- Security – Fiscal practice: One person at your company can confirm employee information and another person can authorize the payment transaction.

OPTIONS FOR ELECTRONIC PAYMENTS:

- **Electronic Funds Transfer/Electronic Data Interchange (EFT/EDI).** Regardless of whether you currently use EFT/EDI in your business, you can convert your support remittances to EFT/EDI transactions through your bank. Ohio CSPC will accept payment in either CCD+ or CTX format.
- **ExpertPay Website** – If your business has Internet access, you can remit payments electronically through www.expertpay.com. With ExpertPay there is:
 - No technology investment
 - No special software
 - All you need is Internet access, a Web browser, and a one-time data entry set-up.
