

Lexis/Nexis Training for CLE Credit

A **very limited** number of spaces are available for Lexis/Nexis training for CLE credit at the Law Library on Tuesday, December 14, 2010. Two sessions will be held in the morning; from 9:00 – 10:00 and from 10:30 – 11:30. The first session will be basic Lexis/Nexis training, highlighting recent enhancements, and the second session will offer advanced Lexis/Nexis training, also highlighting recent enhancements.

The maximum number of seats available at each session will be 14, with two attendees per computer in the library's media center. It is anticipated that additional training sessions will be scheduled early in 2011.

If you are interested in attending one of the sessions, please call Susan Turner at the Law Library at 225-4496. She will maintain a registration list and also a waiting list. If you register for a session and later find that the time will not be convenient, please contact Susan as soon as possible so that another attorney may register. Thank you for your understanding.

When you call the library to register, please provide your name, a phone number at which you may be reached, and an email address.

Circulation Policies

At this time, borrowing privileges at the Law Library remain intact for attorneys who have been registered in the patron database since 2009 or who have registered recently. The practice of maintaining duplicate copies of many titles has been discontinued due to financial limitations, so patrons may notice that overdue notices are sent more frequently and it will be appreciated if the time limits for borrowing materials are respected.

As mentioned in the last Newsletter, all books and services purchased with the public monies of the former Dayton Law Library Association were transferred to county ownership on January 1, 2010, and the circulation of county property must be regulated.

Upcoming Holiday Hours
