Serving Our Veterans

The Montgomery County Recorder's office is still issuing Veteran ID Cards free to all veterans who have been honorably discharged. As of today, nearly **1000** veterans have received their Veteran ID Card along with a list of businesses who provide discounted services to veterans. If you would like more information, you can visit our website at www.mcrecorder.org.

The Recorders office participated in the **2018-19 Veteran Services Advance** hosted at the Ronald McDonald House by the Sinclair Veteran Services in early October. Recorder McClain spoke about the services provided for veterans through the Recorders Office. Additionally, two **Coffee for Veterans** were hosted last month- one at an American Legion in Riverside, Ohio and another at an AMVETS in Kettering, Ohio. We always enjoy connecting with veterans around the county and making our presence known. If you are interested in our office presenting about the Veteran ID Card Program, please call Tristina Allen, Community Affairs Specialist at (937) 496-3017.

Holiday Hours of Operation

The Recorder's Office will be **closed on Monday November 11th**, in observance of Veteran's Day.

The Recorder's Office will also be **closed November 22-23** for Thanksgiving.

Halloween Fun

The Recorders Office spiced up the day on Halloween by dressing up in costumes and bringing in their favorite dish. We hope you all enjoyed your Halloween like we did!

Fraud Alert Notification (FAN) System

Approximately **4500** properties have been registered for the Fraud Alert Notification System (FAN) in Montgomery County.

Recorder McClain made his rounds last month presenting about the FAN System to the Riverside Lions Club and a Ladies Investors Group in Dayton, Ohio.
